All teas are top quality and have been very carefully selected from China and other countries. On offer is a huge range of hot and iced teas, fruit, milk and fashionable mixed teas...and, of course, lots of delicious desserts.

As the new owner, you can decide your level of involvement. The current owner has chosen to have the operation fully managed. But he likes to oversee the staffing, organise the payroll and do the banking.

Up to three weeks of training will be provided if you want to be personally involved in the business. However, all of those functions can be delegated if you prefer to be hands-off. And there'll be ongoing support from the current owner.

It's a simple concept and staff are keen to work in the business. After all, it's a happy place, where both customers and employees want to be.

With the outstanding success of this concept, there is the opportunity to open further stores, with the vendor's approval. So dream big.
