

Barber shops for sale

These well-established barber shops were established by Australian Hairdressing judge. They are managed by skilled long-term staff, have been in operation for nearly 30 years, and are highly profitable, generating over \$4 million in annual sales. With 10 locations in high-traffic areas, the shops operate smoothly without the owners on site.

This is the first time these well-known barber shops are for sale, due to the owner's retirement. Each location is outfitted with top-tier grooming products and offers a luxurious experience for customers.
